

Dear Parent/ Guardian,

You are invited to attend a talk provided by Student Enrichment Services on “How to help your child achieve academic success”. The talk is being held in St. Ciarán’s Community School on Tuesday the 3rd of October, it starts at 7pm. We look forward to seeing you there.

The Parents Association AGM will be held following the talk.

Student Enrichment Services Ltd.

The largest study skills company in Ireland presents:

“Help Your Child Achieve Academic Success!”

One hour talk on how parents can assist their children.

**Simple, practical ideas to help students to achieve in school!
Help your children save time, energy and needless stress!**

**Discover the Seven Steps to academic success!
The ‘SES Test’ method of learning!**

Simple strategies for parents:

to help their students set realistic personal goals;
to show them simple time management skills;
to explain how to make effective use of homework time;
to demonstrate a variety of note making styles;
to outline our unique ‘SES Test’ method of studying.

We believe that every student has the potential to achieve more than they thought possible!

Kind Regards,

Francis Lafferty,

Principal
